FRIDAY SEPTEMBER 29th 1944

NUMBER 21

Sugar Making Underway

Last Monday morning at 8 a.m. the 1944-45 sugar making campaign got under way both here and at the Picture Butte Plant. There are still some vacancies in the staffing of the mills but the work goes on without interruption.

The aim this year is 100,000,000 pounds of sugar. If you like arithmetic you can make yourself a nice problem by figuring out how many tons of beets this will need at 400 pounds of sugar from a ton of beets, and how many days it will take to slice them up and turn them into

sugar.

The beets are coming in steadily and the volume of deliveries grows as more growers commence harvesting operations. The beets are in fine shape being in most instances firm, well watered and clean. If no spoilage occurs in storage a near record crop will be made this year and with the improvements at both plants for handling wilted or frozen beets its spoilage should occur.

Miss Janet Ireland was back to work in the Treasury Branch on Tuesday after a three weeks holiday. Steele Brewerton has returned to Edmonton to commence his studies for another year at the University of Alberta.

SCHOOL STARTS MONDAY

Raymond Public & High Schools will open for the new term Monday October 2nd. Teachers for all grades are ready and anxious to go and a full staff will be there to meet the students. It has not been an easy job to staff the schools this year, and the Board are to be commended for their efforts in this respect. What with the abundance of work at good wages there is little incentive for people to accept the contracts School Boards are able to offer, but they do in order to do their bit for victory.

The students have enjoyed a long holiday and the assistance to parents in this labor shortage has been a real boon, especially the students of High School age.

"GOING MY WAY"

TOPS IN ENTERTAINMENT

Acclaimed by all as the outstanding picture of the year, Bing Crosby stands them in the aisle in his fine portrayal in "Going My Way." Surrounded by a galaxy of stars including Rose Stevens, James Brown, Gene Lockhart and dozens of others, this picture really brings home its message. It is playing here next Monday, Tuesday and Wednesday, with two shows Monday night, the first at 7:15 p.m.

"It's Bing at his all time best." He's the gay singing Padre of the toughest parish in New York with the toughest gang of kids this side of reform school. You'll love every

Mrs. L. J. Barton, pioneer and mother of a large family in Stirling passed away at her home Monday from a heart condition and funeral services will be held this afternoon at 2 p.m. We extend our sympathies to the sorrowing husband and children in their sorrow.

and children were given meals. A snappy program occupied about an hour's time and then dancing concluded the evening.

The whole affair was an outstanding success and its sponsors and all who assisted are to be complimented highly on its success.

really miss something worth while if you don't make a date to see it.

Second Ward Evening Big Success

The 2nd Ward Hall was crowded to the doors from 6 p.m. on last Friday evening for the Supper, Program and Dance, organized by the ward to raise its Hospital donation of \$600.00. They made their object with a little to spare.

The first table was served at 6 p.m. and from then until everything was eaten the tables were kept filled. More vegetables were cooked, beef was roasted, made dessert made and still the crowd kept coming. Everyone was finally served, and it is estimated that at least 800 adults

WOMEN'S ARMY BAND HERE OCTOBER 3RD.

55 Canadian Women's Army Corps Military and Pipe Bands will arrive in Raymond from Lethbridge on Tuesday afternoon, October 3rd, where they will present a concert at the Civic Entertainment Centre.

The 44 members of the Military Band and 26 members of the Pipe Band are scheduled to arrive by car at 3 o'clock, to be met by hostesses at the Civic Centre. Prior to the concert, arrangements are being made for the party of music to visit the Sugar Beet Factory.

The bands will remain in Raymond overnight, leaving for Cardston the following morning.

Two girls in the Military Band who are looking forward to the Raymond visit are Adrienne Garner and Vera Meldrum. Adrienne, who plays the cornet in the band, is the daughter of Mr. and Mrs. A. Garner. She enlisted in the C.W.A.C. in January 1943 and is on her second Dominion wide tour with the bands. Although she used to play in the school band, Adrienne learned to play the cornet in the Army. When asked what she

considers the highlight of the present tour, said "Seeing and playing to the Dixie quintuplets at Callander, Ont." Vera is the daughter of Mr. and Mrs. T. W. Melburn. A tenor saxophone with the band she learned to play the instrument after joining the C.W.A.C. Vera has a brother in the R.C.A.F. at first reported missing overseas, now it is learned he is a prisoner of war.

The bands started out early in March from Kitchener, Ont. They appeared first in New Brunswick, then in Nova Scotia, Prince Edward Island, Quebec, Ontario, and more recently in Winnipeg and Regina. Everywhere the musicians have received a most enthusiastic welcome and departed amidst the cheers of their listeners. The bands are the most outstanding of their kind on the North American continent.

Bandmaster Nadia Svarich of Vegreville, Alta. directs the military band. She is an accomplished musician and holds the degrees of A.T.C.B. and L.R.S.M. The pipe band under the leadership of Pipe-Major Lillian Grant of Victoria, B.C. who formerly conducted the Highland Lassie's Pipe Band of that City. She holds four silver cups and 69 medals for piping and highland dancing. For two summers in Victoria, Miss Grant was official welcome for incoming steamers from the mainland and always attracted great attention and interest.

The pipe band girls wear the regulation C.W.A.C. uniform with the exception of the cap, which is replaced by a balmoral hat. A most colorful addition to the uniform is worn by the bass drummer, Joan Turner of Vancouver. It is a handsome leopard of the band's services during

and skill which was presented by the people of Lethbridge in appreciation of the Fifth Victory Loan in Canada.

A varied programme is presented by these two bands. One of the most outstanding numbers is the "Queen Elizabeth March" which is the regimental march of the C.W.A.C. and was composed by Pipe-Major Ross, a noted composer of bagpipe music. It was first played for Her Majesty. The melody then had no title, and when Her Majesty was asked to name it, she wrote the words: "Queen Elizabeth" across the original score. Later she gave the C.W.A.C. permission to use it as their official march post.

The military band includes in its repertoire such numbers as "Officers of the Day," "Washington Post," "S.L.R.A. March," "Athene" and "Shoulder-to-Shoulder"—the marching song of the Corps. Then there are such concert numbers as "Take you Home Again, Kathleen," "Song of the Rose," "Trombone Trogan" and "Blue Moon Waltz."

The pipers never fail to get a big band with their "Highland Laddie," "Scotland the Brave," "Bonnie Dundee," "Barren Rocks of Auld," "The King's Own Scottish Borderers," "Marching Through Georgia," and the ever popular "Road to the Isles." In this and the other slow marches, the perfect timing and precision work of the bandwomen, who are all trained members of the C.W.A.C., calls for spontaneous applause.

Capt. Grace McNeill of Kitchener, Ont. is in charge of the bands assisted by Lieut. Margaret McMurray, of Stayner. Accompanying the bands is a group of seven members of a special C.W.A.C. recruiting unit in charge of Lieut. Nora D. Bothe of

NOTICE

TO WHOM IT MAY CONCERN

NOTICE is hereby given that by authority of Section 216 of The Municipal Districts Act, R.S.A. 1942, the Reeve and Council of the Municipal District of Sugar City No. 137 propose to pass a By-law authorizing the closing of and selling to suitable purchasers the following described street:

All of that street lying between the S. 1/4 of S. 1/4 of Section 22, Township 6, Range 20, West of 4th, and lots 25, 26, 27 and 28 in Plan 1344 J, Raymond.

Any person or persons interested in and abutting lands along the said street, having any objection to the said street being sold, shall file such objection with the Secretary-Treasurer of the M. D. of Sugar City No. 137 on or before November 14, 1944.

Dated at Raymond, Alberta, this 20th day of September 1944.

D. M. Holliday,
Secretary-Treasurer.

Montreal. These members will answer any inquiries regarding enlistment. Others in the recruiting unit are: CSM Holly Greer of Calgary; Cpl. Jayne Rathbone of Perfection, B.C.; Cpl. Mary Patterson and Cpl. Marion Legros of Toronto; Sgt. Marion May of Frankford, Ont.; Cpl. Patricia James of Niagara-on-the-Lake, and Cpl. Mary Robney of Ottawa.

Lee Brewerton and Orvin Hicken were Calgary visitors last week attending meetings there.

ABOUT THE THINGS YOU BUY IN WARTIME...

"I think it can be safely said that the sugar supply position is the most difficult situation we have to face today in any rationed commodity. You can't get all you want in wartime. If one pound will do, don't buy two."

Cherison

The sugar situation is NOT sweet

FOUR-FIFTHS OF THE SUGAR CANADA CONSUMES HAS TO BE IMPORTED

This map shows where Canada, Great Britain and the United States got their sugar in the good old days of peace. Our three countries take practically all the exportable sugar from these major sugar-exporting areas.

But supplies have either been cut off by enemy occupation of the country—as in the case of Java and the Philippines, or their production radically reduced by shortage of workers, as in the case of Hawaii, Porto Rico, Australia, Trinidad, Fiji.

ROLLING ON SUGAR

The war has brought some unusual demands on the United Nations' sugar pool. Vast quantities have been taken for making industrial alcohol used in the manufacture of synthetic rubber (tires, etc.) as well as T.N.T. and smokeless powder. For instance, the explosive to fill five 16-inch shells requires as much sugar as

Even the production of beet sugar in Canada and the United States has been drastically cut by labour shortage. In both countries the '43 sugar beet crop was forty per cent less than in '41. The only country to show an important increase is Cuba, where output had for years been deliberately restricted. But its increase has not been sufficient to offset the losses elsewhere—let alone meet the increased demand.

is produced on an acre of the finest sugar land. This year Cuban sugar alone used for making industrial alcohol will equal Canada's normal sugar imports for more than two years.

DO WE NEED MORE SUGAR?

A century ago the whole world didn't consume as much sugar as Canada does today. Our sweet tooth has been acquired in quite recent times. Sugar rates high for its energy value, but starchy food is a good substitute.

THE SUPPLY IS SHARED

All sugar supplies are pooled and under the control of the Combined Food Board of the United Nations, which allots supplies to Canada, United States and Great Britain on a uniform basis.

WE'RE LIVING ON OUR SUGAR CAPITAL

At the time of "Pearl Harbour" the United Nations had a reserve stock-pile of about 3 million tons, but for the last 3 years we've been using more than has been produced—and dipping heavily

into "reserve." Liberated nations will have to dip in too. Extra good crops could improve the situation, but greatly increased supplies are not in sight. If current consumption keeps up, we could be very short of sugar next year. We must do the utmost to conserve our supplies.

RATIONING WAS STARTED BECAUSE OF SHORTAGE OF SHIPS. IT MUST BE CONTINUED BECAUSE WORLD STOCKS ARE DEFICIENT
THIS IS ONE OF A SERIES OF ANNOUNCEMENTS GIVING THE FACTS ABOUT THE SUPPLY SITUATION OF VARIOUS WIDELY USED COMMODITIES

NEWS NOTES

Mrs. Bill Nalder returned from the Hospital Wednesday after successfully undergoing a major operation.

Erma Allred is a patient in the Galt Hospital having had her appendix removed on Friday last.

Ellis Haulinger left Thursday by plane for Salt Lake City to attend the general conference.

Mr. and Mrs. Wilford Haulinger are leaving for Montreal on Monday to attend the graduation exercises of their son Morris, who will graduate as a Doctor. Mark will fly to Montreal to also be present.

The Friday night Book Club re-elected officers at their last meeting. Mrs. Douglas Puxman is President. Mrs. Myrtle Williams Vice-Pres. with Miss Edith Woolley as Sec. Treas. Mrs. Louis Brantley reviewed the "Life and Articles" written by Miss Talmage Brantley.

Mrs. Bill Meeks is a patient in St. Michael's Hospital having undergone an operation for appendicitis.

The father of S. M. Stanford, one of our local elevator men, passed away in Lethbridge last Monday.

Mrs. Margaret Allen Bridge is the mother of a son born last Thursday September 21st.

The daughters of H. S. Allen returned to their homes in Utah on Saturday after attending the funeral services of their father.

Mr. and Mrs. Carl Allred returned Thursday from a week's visit at Rosemary where they were the guests of the Keith and Jack Nilsson families.

Mrs. Rex Campbell (nee Fern Piepgrass) is here visiting with her parents Mr. and Mrs. Fred Piepgrass for a few days before moving to Salt Lake to make her future home. Her husband has been posted to Port Douglas.

Kinchall Anderson has taken a room over the Post Office while he is here for the factory campaign.

F. Sgt. E. A. Gilling of Winnipeg Training Centre was an overnight visitor in Raymond on Monday and was a visitor at the Recorder Office.

Mrs. Sara Frazer is having her home modernized. Joe Kirkham is doing the carpenter work, and Jimmy Anderson the plumbing.

Mrs. Norman McLean and two children of Calgary are here visiting with Mr. and Mrs. Booth Card. Mrs. McLean is a sister of Mrs. Card.

Speakers at Rotary on Monday were J. O. Hicken and Lee Brewerton. Considering the busy season a good attendance was present and a very interesting meeting held.

Art Attwood is laying new walks around the home recently purchased by Andy Newell. The Newell family are moving in from the O. K. ranch in November.

Mr. and Mrs. Alma Hancock were at the Temple Wednesday afternoon and evening.

F. H. Schneider, father of Paul and Otto, celebrated his 97th birthday on Tuesday, September 19th. Paul says that outside of his eye sight he is really enjoying the best of health. We extend our heartiest congratulations to Mr. Schneider and wish him many more happy and pleasant birthdays.

Emerson Tolstrup of the R.C.A.F. looks fine and the training seems to be home on a two weeks leave. Pete thoroughly agree with him.

CANADA'S VETERANS Their Post-War Opportunities

This is the first of a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get the full details save and read every advertisement.

For complete information write for the booklet "Back to Civil Life."

The Future After Discharge — A MESSAGE TO RELATIVES OF THOSE IN THE ARMED FORCES

When your boys and your girls come home, when they lay aside the uniform, when they go out into the world as normal peace-loving Canadians, what lies ahead? Can they pick up their lives as civilians, where they laid them down, months or long years ago? Are there plans to help them do the things they wanted to do before the war? Will they have security? Can they continue education, or receive needed training? Will they be assisted in home owning, or to establish their own business, and will they be enabled to pick up their family life once again?

These are questions which concern all those Canadians who have loved ones in the services. They are questions which this series of advertisements is designed to answer.

OPPORTUNITY IS THE OBJECTIVE

Canada has been making plans for your boy's and your girl's return to civilian life since early in 1940. These plans are in effect and operating now. The aim is that every person who has served shall have opportunity. Thousands, already back in civilian life, have benefited by training, by maintenance grants, by advice of departmental officials, and by the social security provisions. There is ample help for those men and women who want to help themselves.

ASSISTANCE ON DISCHARGE

When your boys and girls are discharged from the services, they will be given:

1. A clothing allowance of \$100.00 (if discharged after August 1, 1944).
2. Their pay to date of discharge.
3. One month's additional pay, if they have 183 days' continuous service, as a rehabilitation grant.
4. A railway warrant home or to the place of enlistment.

Dependents will receive:

1. Their normal dependents' allowance to date of discharge, with assigned pay.
2. An additional month's dependents' allowance, with assigned pay, if there has been 183 days' continuous service.

Your boy or girl will be allowed to retain certain items of uniform. They will be given a complete medical and dental examination and will be eligible for free needed treatment for a year after discharge. Those discharged not physically fit, in need of continuing treatment and unable to work, will have their pay and allowances of rank continued for at least a year if necessary and, if the disability is pensionable, for as long as curative treatment is beneficial. All are interviewed by Veterans' Welfare Officers and told of the re-establishment programme.

WAR SERVICE GRATUITY

On discharge, those enlisted to serve outside Canada, or those who served in the Aleutian Islands, are eligible for a war service gratuity. It provides \$7.50 for each thirty days' service in Canada and the Western Hemisphere and \$15.00 for each thirty days' service overseas or in the Aleutian Islands. For those with overseas service or with service in the Aleutian Islands, there is an additional seven days' pay and allowances for each six months of such service. Payments will be made at the end of each month in the months following discharge. Complete details of the war service gratuity will be given in a later advertisement.

RE-ESTABLISHMENT CREDIT

In addition to the war service gratuity, there is a re-establishment credit of \$7.50 for each thirty days' service in the Western Hemisphere and \$15.00 for each thirty days' service overseas. This is for things such as the purchase or repair of a home, the buying of furniture, a business, or government life insurance, and for certain other purposes which will assist your boy or your girl in becoming re-established. This credit, which is reduced by grants given for training or education, or under the Veterans' Land Act, is primarily for those who do not wish assistance under these plans.

RETURN TO FORMER JOBS

If your boy or girl held a civilian position before enlisting, and was not engaged to replace somebody already in the forces, and if the position still exists, and your boy or girl is capable of filling it, it is the employer's duty, under the law of Canada, to reinstate him or her in that position with seniority. Application for reinstatement must be made to the former employer within three months of discharge from the forces or from hospital.

Veterans' Welfare Officers are stationed in key centres throughout Canada. They are the friends of Ex-Service men and women. It is their duty to advise and assist all Ex-Service personnel with their re-establishment problems. If there is anything about the Rehabilitation programme which you do not understand, consult your nearest Veterans' Welfare Officer.

TRAINING AND EDUCATION

The surest way to permanent employment—the thing your boy or girl will want—is a skill to get and to hold a job. Canada's plans give opportunity to acquire needed skill either at university or in preparation for a business or industrial career. Fees are paid by the state, along with living allowances, while training or continuing education.

WHILE ILL OR UNEMPLOYED

There is protection against illness or unemployment by maintenance allowances which can be drawn against in the first eighteen months after discharge. There is also protection under the Unemployment Insurance Act for those who enter insured employment and remain in it fifteen weeks.

HOME OWNING AND FARMING

There is provision to assist city and other workers to have homes of their own, either on small acreages of land outside the high taxation area, or in town, under the National Housing Act. Full-time farmers can be given financial assistance in full-time farming, while commercial fishermen may secure financial help in getting their own homes, on small acreages of land, and in buying needed fishing equipment.

FREE TREATMENT

In the year following discharge, service men and women are eligible for free treatment, hospitalization and allowances for any condition, even if not the result of service. Pensioners are entitled to this for life for their pensioned disability.

THE POLICY ON PENSIONS

Canada's Pension Act is administered by an independent commission, all former members of the services. Any permanent disability suffered overseas, not a result of misconduct, is pensionable. Where service is in Canada only, the disability must be a result of service.

Published under the authority of Hon. Ian A. Mackenzie, Minister of

The Wamens Institute, in an effort to do their part towards the new Municipal Hospital now nearing completion, are sponsoring a gala dance on the evening of Monday, October 9th, Thanksgiving Day at the Opera House. There will be a draw for valuable door prize and your admission ticket will entitle you to a chance on this valuable prize. Remember the date and hold the night open.

Frank R. Taylor at the Sugar Factory agricultural department was a visitor in Brooks the end of last week.

Bishop J. O. Hicken is in Salt Lake City in attendance at the General Conference of the Church.

The Ladies' Literary Society held its regular meeting at the home of Mrs. Hamp Witbeck. Mrs. J. W. Evans gave a very interesting review of Ann Shearer Monroe's book "Shining in the Rain." Mesdames R. T. Graham, Paul H. Redd and James B. Barker were invited to join the Club. A delicious luncheon was served by the hostesses Mrs. Georgina O'Brien and Mrs. John Landysheff.

Things you can't add on your fingers

IT'S hard, almost impossible, to figure out on your fingers the many benefits of life insurance.

The street car you ride on—the electricity that perks your coffee—the home you live in—the school your children attend—the hospital where your baby was born—these are available to you partly because of life insurance investments in Canada's mills, factories, power plants and public works. The money you put into insurance is always circulating to make more jobs for more people. It's hard to add up all its benefits because they are felt in every corner of the land.

Some say that life insurance money would be better employed as "venture" capital rather than invested in long term bonds and mortgages. Well, life insurance companies must regard the investments which they make from year to year as trust funds, and policyholders would not want it otherwise. Deliberate safeguards have been set up, to protect these investments and government laws very properly prohibit the use of life insurance funds for speculative purposes.

The truth is that life insurance assets are safely invested in such a wide variety of local and national undertakings that the average man has no conception of how much the development of the country depends on life insurance funds.

It is good citizenship to own LIFE INSURANCE
